

Wellstone's Utopia:

Scene One:

First person point of view –

B walks to long corridor, a small town comes into the his view

His passes by an old woman who pays him no attention.

Walking slowly towards the town B realizes a sign that reads for sale.

He turns with a suggestive look on his face.

As he ends the town he walks into a weird store whose owner is nowhere to be found.

Dust covers the counter and a bell is located on his left side.

B rings the bell hoping for some attention.

Someone appears it's an older gentleman

He nods at B

**B:** I'm looking for a job

**Old Man:** I don't have any work here

**B:** do you know where I could find some work

**Old Man:** No...but if anything happens in Wellstone you must see Torex.

**B:** Who's Torex

The man points towards a huge building made of this strange material

B walks towards the building through the busy streets

Everyone in the town looks at him with joyful curiosity

B nods and smiles greeting those who he passes

He finally arrives at the entrance of the huge building

Scene Two:

Upon entering the building B sees a girl wandering the halls

He glazes at her and wonders who she is...

B walks towards the girl who is Joli the princess of Wellstone

**B:** Sup

**Joli:** umm... are you the new janitor?

**B:** not necessarily...I'm looking for Torex!

**Joli:** And what would you want with my uncle?

**B:** WELL...word around this place is he the man to speak too.

**Joli:** Wellstone!

**B:** What?

**Joli:** this place is called Wellstone...now if you don't mind I'm very busy!

Joli walks off in an elusive matter.

**Joli:** don't forget to leave your resume at the door!

B smiles with interests at joli as she walks further down the hallway

A voice of authority comes from a strange distance

**Torex:** uh um.

**B:** who's there?

B looks below and sees this short shroud looking individual.

**Torex:** Can I help you?

**B:** Perhaps...are you Torex?

Torex nods at B with hesitation

B then extends to Torex with a note in hand

The note blank...B smiles

Torex looks in confusion

**B:** I'm looking for work!

Torex: As you can see my town is capable of handling another person.

B looks at Torex with dis-belief.

**B:** so... there isn't anything?

**Torex:** well...there is one thing! But you probably wont be interested.

**B:** try me!

**Torex:** have you ever heard of Wellstone's Utopia?

B looks of confusion

**Torex:** Wellstone's Utopia is a beautiful place...created by the gods. For you and me.

This utopia has riches...food, miles and miles of unlimited food.

B stares at torex with limited emotion.

**B:** I don't care about food!

**Torex:** My boy food is power. Power that rules with an iron fist!

Torex looks around and points towards a door. The door is of the room of princess Joli.

B stares down the long corridor.

Torex smiles at B with a sinister grin

**Torex:** If you can convince my niece to tell me of the secret location. We can split the finding together.

B turns to the long hallway.

He lets out a sigh...then looks at Torex

B walks out of the building in discussed

Torex follows after him

**Torex:** Did I forget to mention that who ever marries my niece will be the ruler of Wellstone and it's Utopia!

Scene Three:

B looks at the town and the painful expressions on the resident's faces.

A familiar feeling takes hold of B and flashes of his past.

(Fade to white)

A little bug cries as his father leaves and mother holds her stomach.

A landowner comes in to the room yelling and pointing towards the door.

**Landowner:** GET OUT NOW!

The mom grabs the son and gathers her things to leave the room.

(Fade to white)

B comes back to reality...then he turns and looks at Torex with a slick smile.

**B:** yeah I would love to rule the Wellstone community!

**Torex:** GOOOOD! ...Very Good!

B takes a look down the building corridor again, thinking of Joli and Wellstone's Utopia.

**B:** How can I tell if your niece is interested? She is as cynical as a Blaberus giganteus.

Torex chuckles at B

Then he points to a portrait of two people...it's the portrait of the lost King and Queen of Wellstone.

B looks with a blank stare...

(Fade to white)

A little bug once again appears ...this time he's laughing at a dinner!

A woman hands the boy a small box...he opens it and it's a small toy car.

The boy smiles with excitement!

Laughs...go from loud to far away.

(Fade to white)

B turns to Torex nods and walks down the corridor.

Reaching the room at the end of the hall and opening the crack door.

Scene 4:

Panning down...a huge dining hall full with hundreds of Bugs, laughing in celebration.

A small female bug asks for a piece of buttered bread.

A kind man appears in the scene.

**The Man:** yes you may have some buttered bread. What's the magic word sweetie?

**The small girl:** pretty please... with sugar and a cherry on top!

The little laughs in enjoyment from saying the phrase

The man smiles at the girl and give her the buttered bread.

(Fade from white)

B: Hi there...remember me?

Joli: Who....oh it's you! Did you find my Uncle? What was it you're here for...oh yes...to borrow sugar!

Joli looks at B with content.

B smiles at Jolie's joke and walks towards the window in the room.

B: no...I was hired to be your bodyguard! Because it seems you is your own worst enemy.

B looks at Joli with a serious grin.

Joli: Oh really...well my uncle is everyone's enemy. Did he express that with you?

B: I figured your uncle out as soon as I saw his shortcoming.

B laughs at his own joke

B: he wants Wellstone's secret for him self. I want Wellstone to be...so I've come to help achieve this dream.

Joli: A bug with dreams...oh brother! Why don't you leave me out of that dream!

Joli points towards the door of the room.

B turns back to the window and then he pulls out a photograph

He stares at the photo, and then he tosses the photo at Joli.

Joli: What's this...looks like a colony.

B: yess.it was my home. A Blaberus giganteus named Damus destroyed my home.

He was a bug with dreams...dreams of fortunes. No matter what the costs!

My mother and father suffered from his fortune dreams. When I met your Uncle, I realized that you must stop him. The residents of your colony need you! If you're the rightful queen ...so it's your duty to lead righteously.

B exits the room and heads out of the huge building.

Scene: 5

Joli realizes her parent's aspirations for the colony and stares at the photo.

Joli opens her secret locket with the map to Utopia.

Joli marches into her Uncle quarters.

**Jolie:** Is this what you dream of? Well here the secret of Wellstone's Utopia...but remember it was a secret for a reason.

Joli drops the locket to floor and walks away

Torex jumps at the locket...diving to the floor

He opens the locket...only to see it's empty

Torex yells for his personal guards

Joli had left the building fleeing for her life.

She runs into an alley

Her Uncle's Guards lose her trail. Joli walks into town asking for B

She finally spot a figure that looks familiar

It's B standing alone...staring into the dark.

**Jolie:** LET'S MAKE THE DREAMS OF MY PARENTS COME TRUE.

B turns and nods at Joli

They head back to Wellstone determined to expose Torex.

When they return...Torex had already left the huge building where Joli lived.

The corridors were the huge portraits of Jolie's parent once stood. Is now empty, the portrait was destroyed and piece was missing.

The piece that was missing had an inscription that read, "two find peace, we must protect our dreams of utopia"

Torex had figured out that there was more than one map to utopia.

With this information he went on his quest for Wellstone's Utopia. Taking every able body with him to discover his dream.

Scene 6:

Torex commands a huge following of Genies as they head towards the Utopia.

Torex: HURRY UP...you lazy bugs! Utopia will not wait for those who are unworthy! I promise you'll fortune...FORTUNES to rebuild your hopes!

B and Jolie follow the map Jolie possessed from her locket.

They ran with great urgency...not knowing where Torex had taken to town's people.

They finally arrive at a strange place where the land is divided into white and black.

B stopped and pushed Jolie back.

B: what is this?

In the distance B hears Torex yelling.

Torex was on the other side on the strange white and black land.

Torex: come on you lazy, worthless molts!

As sudden as B and Jolie saw the other with Torex...a white flash engulfed the white and black lands.

B: I can see anything Jolie. What's happening?

Jolie: I can't see either B.

A thunderous sound comes down...(BOOM).

B focuses his eyes and sees Torex lying dead. All the residents of Wellstone were nowhere to be seen.

B and Jolie run away from the strange white and black lands.

B: What happened back there?

Jolie: I don't know... lets go back to Wellstone!

B and Jolie head back to Wellstone...confused and emotionless.

They see the town's people all tired and out of breathe.
